Title: Digital baseband system

Improper Submission of Request to Retrieve Electronic Priority Application(s) Under 37 CFR 1.55(d)

The Request to Retrieve Electronic Priority Application(s) (request to retrieve) filed on 05/01/2008 in application number 10/614,523 is not accepted because of the reason(s) listed below:

- The foreign priority application(s) is not identified on an oath or declaration or an application data sheet (ADS) in compliance with 37 CFR 1.63(c). The Office will not attempt to retrieve the foreign priority application(s) until applicant identifies the application(s) on the oath or declaration, or ADS in compliance with 37 CFR 1.63(c). If applicant still wishes to request that the Office retrieve an electronic copy of the foreign priority application(s), applicant must: (1) submit an oath or declaration or an ADS that identifies the foreign application(s) in compliance with 37 CFR 1.63(c); and (2) resubmit the request to retrieve.

Any resubmission or new request to retrieve must be filed in sufficient time for the Office to receive the electronic copy of the foreign priority application(s) from the participating office(s) before the payment of the issue fee in the above-identified application (see 37 CFR 1.55(a)(2)). The request should be made within the later of four months from the filing date of the application or sixteen months from the filing date of the foreign application. See 37 CFR 1.55(d). The applicant remains responsible for satisfying the requirement for a certified copy of the foreign priority application within the time period set forth in 37 CFR 1.55(a).
